There are unwelcome visitors lurking in your carpet.

Office carpeting can harbor a healthy growth of mold and mildew. And that can cause an unhealthy atmosphere.

Breathe easier with SYLGARD® Antimicrobial Treatment from Dow Corning. It bonds to carpet fibers to ward off bacteria and mold and the problems they may cause. As a result, you can make a healthier carpet part of your benefits package.

So specify SYLGARD Antimicrobial Treatment today.

Call 1-800-ODR-LESS, Ext. 5802.

SYLGARD
Keeps it fresh.
